Testamonium

I.

Unafraid. She takes her own hair by the fistful. Your Darling. Undoubtedly. Deserving or not.
Offers penitence with a punishment.

This is unacceptable.

Each privation forbidden to her. By her. Gradually. Affections will become more harmful.

Vengeful.

Seething.

She confuses murmurs with furies.

Shuns night-company.

Stupefied.

You are not capable of being moved.

II.

Apologist.

You seem different.

You want a more decent measured speech. Meeker language.

Your Darling concedes she has always been present. From the beginning.
Her entrance was neither deceptive. Nor delicately feigned.

III.

Unabraded.

Bitten hands.

Your Darling explains the excessive. The manic.

Calm as constraint.

Each agitation won't cease to affect her. Bitten hands. Bitten lip. The eventual provoked.
Convinces you. The inappropriate (of course) reciprocal.

Your Darling repeats.

Hysteric. Sickeningly. Always unwilling to please.

In such a state. She is not.

Your sonorous body. Your nervous type.

Offer a sympathy. An indelicate subtlety. It's certain that she can't explain her association.
In relation to. At the same time. Her confinement.

Responsive to your state of vigilance.

Who celebrates a shrivelling?

Turn your back upon the tightening deductive. How perceptive your closest contradictions.

Uncertainly citing against her absence of extravagance.

Poise.

Charm.

IV.

Your Darling reveals her strength in proportion to her weakness. Pell-mell. Discriminately personal.
Vainly sumptuous.

She returns with uncontrolled moments of joy. Unmeasured.
Forgets how quickly and assuredly she once withdrew.

Unvanquished.

A ruse is a ruse and ceaselessly. She gave up. Abandoned heart and vitriol.

Your Darling is vulgar in all of her violet forms.

V.

An aspect of repetition.

Each subsequent act derived from the gentleness of brief pleasure.

Beholden. She meant to. (Didn't mean to without discipline.)

Your Darling insufficiently restricted. Hesitates in proportion. The way you would have her.
Diminished. Precisely lacking. Her taint spreads at threatening speed.

In fact. This is constant. Complicit with failure. When your Darling is surrounded by others.
By all others. She hears the detailed various. *She said. She did.*

In more recent times. Less legitimately constrained.

Remorse.

In reckoning the intricacies. Your Darling will choose an example. (Taken.)

A burdensome note. Another example given from elsewhere.
There will be no confusion about the admittance.

Her resistance was not exceptional.

Her *supplice*. After losing restraint.

Exquisite pain.
